ABOUT OUR GUEST TUTORS

ROSALIE QUINLAN

Rosalie is the bright spark behind the design company bearing her name, including the whimsical 'Melly & Me' range.

The very talented Rosalie will give us some insight into her creative world and what makes her tick and the creator of the very popular (ours) 'The Joy of Life' Block of the Month quilt.

LEANNE BEASLEY

Leanne is the designer of 'Leanne's House', author, teacher and DVD host of all things fabric and scrapbooking.

Her life is one full of energy, who believes we should devote at least 10 minutes of our day to being creative! Leanne's latest Block of the Month (we are running) is 'Butterfly Garden'.

The girls will be teaching original designs for our 'Xmas in the Hills' Gathering with hand- work in mind.

The 2 days begin @ 9.30am until 5.30pm.

You are welcome to join us for dinner on Saturday night and/or stay overnight in the Hills.

More information will be with the requirement list.

Please contact Jane at The Patchwork Apple on (08) 8389 9200 to secure your place for this exciting weekend, with a non-refundable deposit of \$50.00.

Balance is to be finalised by **Saturday 11th July 2009.**

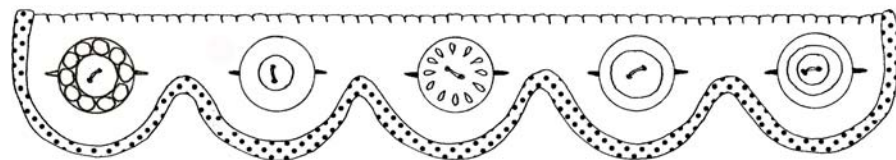

Once the deposit has been received, you will be given the requirement list. Which includes map, dietary requirements, accommodation information, (if you would like to stay in the beautiful hills overnight), dinner information, etc. etc.

July is packed this year (our 15th Birthday year). As well as our 'Christmas in the Hills' we have our friend, **Marg Low** from Albury, NSW dropping by, on **Sat. July 11**, to hold a workshop. Marg has wonderful ideas and produces many timeless projects with her fine needlework, from quilts to small needle-cases. This class will be a stitchery which will be a very special card. \$50 for the day. Check out her blog – marglowdesigns@typepad.com

This is just a mini newsletter, this term. Sara has the 'cheek' to go on a holiday to the US for 6 weeks!! So consequently classes are on hold until she returns.

The next 'Civil War Legacy' Workshop is already booked out, with a waiting list for the next, beginning 4th September. This is \$120 for 7 weeks, held fortnightly, Fridays 10am -1pm, including book/pattern and a history of each block.

In June we launch **Quilt Aid 2009** - 12 Aussie designers join with 12 Aussie shops to bring you a wonderful choice of quilts to make, with the added benefit of supporting a charity! www.quiltaid.com.au explains it all, with the quilts to view! How exciting!!! I am madly trying to finish our quilt now!
